Laundry Cards

Don't forget to pick up your new laundry cards in the office! You will receive one complimentary card per unit. Each additional card can be purchased at the CashtoCard kiosk, located in the rental office for a fee of \$5. Cards can be loaded a couple different ways:

- Use cash at the kiosk by inserting your card and inserting the dollar amount you would like to load
- Go online to Jetzservice.com, click on 'Load Card Value', follow the instructions. Once you have received your code, then insert the card into the kiosk and the amount is loaded onto your card for use in the machines

You also have the option of using your phone! Download the app PayRange through the App Store or Google Play on your mobile device. This will allow you to make laundry machine vends, check your balance, and much more. Using Bluetooth, this will work directly with a reader located on each machine. If you have any questions, contact the office & we would be happy to help you out!

End of Summer Mask-erade!

Be on the lookout for invitations to our end of summer party! There will be food, drinks, and alcohol supplied while we tie-dye masks! We will also have drawings for prizes via Facebook Live following the party.
