October News

Access Fobs

We are excited to start providing fob access to the pool and back office door so CCV residents will have exclusive access. Please watch for future communication regarding this as we transition over to the new system.

Trash Reminder

Just a friendly reminder that trash of any kind is not allowed on balconies or patios and any resident found leaving trash outside will be fined. We have many dumpsters throughout property to properly dispose of garbage. If you are having trouble locating, ask us and we can help you out!

Heat-Best Practices

With the weather starting to cool down, please keep in mind there is only one heat return vent in the hallway in your apartment. For proper air movement for heating and cooling, it's best for the doors within your apartment to stay open.

Thank you!

Sending a HUGE thank you to all of our residents who came to our end of summer 'mask-erade' event. We had so much fun and hope you did, too! Don't forget to post pictures of your finished tie dyed masks & tag us so we can see them all.
