Vehicles and Snow Removal

Please remember to move your vehicles no later than 72 hours after a snow storm. This helps us ensure we are getting all the parking spaces clean in our parking lot. Additionally, when parking your vehicles, make sure the fender isn't over the sidewalk. This makes it difficult for maintenance to shovel, therefore posing a safety hazard for those walking on the sidewalks.

Trash Disposal

Please make sure when disposing of your trash it is landing inside of the dumpsters. Trash bags should not be scattered around the ground in the dumpster houses. Please help us keep our property looking (and smelling) great!

Register Your Vehicles

Country Club Village Apartments requires residents to register their vehicles with the office if they are going to be parked on property. Please stop in the office to ensure your vehicle is registered with us. Unregistered vehicles risk being towed if we cannot get in contact with the owner.
