MAY NEWS

Grab-n-Go Breakfast!

Grab-n-Go Breakfast is back! On May 28th, your CCV Team will be stationed at various exits throughout property with breakfast for you to grab and go on your way to work from 7:30am to 8:30am. If the weather does not cooperate with us, this will be moved to a breakfast pick-up in the marketing office.

Fire Doors

Per the West Des Moines Fire Marshall, fire doors in the hallways and on landings must remain closed when not in use. Please do use rocks or other various objects to prop open the doors as this would violate the fire code. Please contact the office if you have any questions in regards to this policy.

Common Areas and Hallways

Please be cognizant of your noise levels when passing through common areas and hallways. Residents and their guests are not permitted to run up and down or play in the hallways. As a reminder, please do not allow front and hallway doors slam when passing through.

Gutter Cleaning

Spring cleaning is in full affect around CCV! The gutters around property are scheduled to be cleaned on May 11th, weather permitting. Should this change we will send an email out to the property.

Pet of the Month - Coming Soon!

Starting in June we will be featuring a pet of the month in our Newsletter and on our social media accounts. To submit your furry friend to be considered, please email a picture to info@countryclubvillageapartments.com with a little information about them!
