The Gateway will again offer Dynamic Parking from October 4-16 & 18-20 & 28-31

The Goodwill Fall donation drive will be held on Saturday, October 24, 2015, from 9:00 a.m. until 2:00 p.m. in Davis Court. You may find a list of items that Goodwill will accept at www.sfgoodwill.org. The Gateway will post announcements a few days before the donation date to remind you about this event.

Fleet Week returns in October with the Parade of Navy Ships and the return of the Blue Angels. The Parade of Navy Ships will make its way under the Golden Gate Bridge on Friday, October 9, 2015 at 11:00 a.m.

The Blue Angels air show will return to San Francisco during this year's annual Fleet Week celebration. The US Navy's precision flight demonstration team will perform Over the Bay on October 11th and 12th.

Package deliveries have increased with various online vendors. The package rooms cannot accommodate the volume of delivered parcels unless they are retrieved on a timely basis. Policies and procedures regarding the acceptance and retrieval of packages are as follows:

- The Gateway accepts signature required, non-perishable, average-sized packages on your behalf when you are away from home. Average-sized packages are packages that are 36 inches or less in length and/or 50 pounds or less in weight.
- Accepted packages are stored in the Package Room that is located in the lobby of your building.
- Packages should be retrieved from the Package Room within two (2) days otherwise they will be sent back.
- Packages may be retrieved daily from 8:00 a.m. to 8:00 p.m. Door Attendants will retrieve packages when they are on duty.
- In an effort to increase Patrol time we highly encourage you to pick up your packages when the doormen are on duty.
- Signature not required, perishable, over-sized and/or over-weight packages will not be accepted.
- Delivery services can directly deliver signature not required, perishable, over-sized and/or over-weight packages to your apartment when you are at home to accept the delivery.

Please use high efficiency liquid detergents ("HELD") when doing your wash. The Maytag machines were designed to use less water due to the suds suppressors contained in the HELD. Maytag's instructions for the washing machines are as follows: "Front Load High Efficiency washers are designed to use high efficiency liquid detergents, which contain suds suppressors, thereby reducing or eliminating suds. When less suds are produced, the load tumbles more efficiently and cleaning results are maximized." If you have regular liquid detergent and would like to use it up before purchasing HELD, do not use more than ¼ cup of detergent. NEVER USE POWDER DETERGENT! Please see the posters in the laundry rooms for additional information. Please take your clothes out of the washer and/or dryers as soon as the cycle has finished. On high demand days, your neighbors would be most grateful.
