We would like to remind you that on our new website www.theGateway.com, you can view many of our past and upcoming newsletters as well as more information regarding our community.

Dynamic Parking

Dynamic Parking will be in effect from May 5 - 11, 14-15 & 20-31

Friendly Reminder

Please do not use the deadbolt as a doorstop as it causes that deadbolt to fail over time.

Recyclables

Our staff continues to find trash and recyclables that have been discarded on the floors in the disposal rooms. Your trash is required to be placed in plastic bags and disposed of inside the trash chute. Small recyclables may be discarded inside the recycling disposal chute. Large recyclables are to be taken to the recycling center in your building; never forced into the recycling chute or discarded inside the recycling disposal room. Please properly dispose of your trash and recyclables. All compost must be bagged via compostable "bio bags" and disposed of in the compost bin located on the basement level of your garage.

DO'S and DON'TS — GARBAGE DISPOSALS

DO grind food waste only with a strong flow of "cold water" only.

DO flush disposal for self-cleansing. Allow disposal and cold water to run after grinding or after draining the sink and dishwasher. Some detergents are caustic, flushing will pass such material into the drain line without disposal damage.

DON'T dispose of fat and/or greases in your disposal, nor through your kitchen drain. Grease will cling to the drainpipes and cause clogging. Keep grease in used cans until it hardens and dispose of in the trash.

DON'T feed fibrous food waste (corn husks, potato skins, pea pods, celery, onion skins, carrot tops or skins, artichoke leaves, etc.) into the disposal.

DON'T grind hard materials such as bones, fruit pits, cigarette butts, etc.

DON'T misuse your disposal. It is ruggedly built to give you trouble-free performance. It will dispose of most normal food wastes, but it will NOT grind and dispose of such nonfood waste items such as tin cans, bottles, bottle caps, glass, china, leather, cloth, rubber, string, or feathers, these items should be disposed of in the trash can.

Courtesy of the Bay Club Gateway

On May 6th, Bay Club invites Gateway Residents to the Monthly "Happy Hour" Poolside Mixer. Come and enjoy complimentary wine, cocktails, and appetizers.

Please RSVP to Events.BCG@bayclubs.com with your Blg/Apt., Name, Number of Guests.
