www.thegateway.com

The Gateway will again offer Dynamic Parking from September 1-6 & 12-19 & 27-30

As a reminder the Gateway would like to remind our residents and their guests of the quiet time observed is 10:00 PM to 8:00 AM.

All residents are welcome to use the roof decks. We would like to remind residents that you are responsible for your guest's behavior and must pick up trash and litter before you leave the roof deck. **Parties and alcoholic beverages are not permitted on the roof deck.**

Parking

For those of you who rent a vehicle stall in the garages, please note that "Caution: Watch for Pedestrians" is stenciled in yellow above the garage gate that exits to Davis Court as well as the garage gate that exits to Drumm Street. It has been brought to our attention that some drivers are not being cautious when exiting the garages. Please remember that pedestrians traverse along the walkways in front of both garage exits. In addition, pay extra care to not speed through the garage as fellow residents are walking through the garage. Please note the maximum speed in the garage and in the courtyard is 5 mph.

***** Please Update Your Vehicle Info with the Front Desk *****

Washing Machines

Please use high efficiency liquid detergents ("HELD") when doing your wash. The Maytag machines were designed to use less water due to the suds suppressors contained in the HELD. Maytag's instructions for the washing machines are as follows: "Front load High Efficiency washers are designed to use high efficiency liquid detergents, which contain suds suppressors, thereby reducing or eliminating suds. When less suds are produced, the load tumbles more efficiently and cleaning results are maximized." If you have regular liquid detergent and would like to use it up before purchasing HELD, do not use more than ¼ cup of detergent. NEVER USE POWDER DETERGENT! Please see the posters in the laundry rooms for additional information.

As a reminder there is a Recycle for Change donation box in each apartment building. They accept the following items: clothing, shoes, handbags, backpacks, suitcases, toys, bedding towels, & books. They will not accept furniture, items that do not fit in the drop off box, hazardous waste, or any electronics in non-working condition.

The donation boxes are located as follows:

Vista West – On the lobby level area between the mailboxes and the entry way to the garage

Vista North – On the basement level next to the recycling area in the garage

Vista South – On the second floor in front of the elevators

Vista East – On the lobby level in the next to the recycling area in the garage
