WELCOME TO THE FAMILY

VOLUME 4 ISSUE 03
MARCH 2017

Saint Patrick's Day is celebrated annually on March 17th in memory of the Roman Catholic patron saint of Ireland, St. Patrick.

Historically it is written that Patrick, born a nobleman in Britain in 400 A.D., was kidnapped by pirates at age 16 and taken to Ireland. While enslaved he found religion and soon after managed to escape Ireland. Patrick later returned to Ireland as a missionary. It is widely believed he died March 17th.

Daylight Savings

Daylight Savings Time begins in the United States on the second Sunday in March. On Sunday March 12th set you clocks ahead one hour at 2:00 am.

Pet Reminder

Much like humans, dogs need regular exercise. This is especially important if they are left alone for more than a few hours.

Taking your dog for a walk or to the park before you leave not only provides them with opportunities to engage their brains (smells, squirrels, other dogs) it gets their heart rate up and essentially "wears them out" making them better canines.

Please make sure to utilize our dog park, walking trail and pet refuse stations.

Electric Tip

Unplug all electronics when not in use. These electronics will continue to pull electricity even when turned off.

Trash Reminder

Please make sure not to leave any trash uncovered outside for any reason. After placing your trash in the receptacle make sure lid is securely fastened before leaving on roadside for trash collection.
