Emergency Maintenance

515-729-3599

Hello Jamie! Good Luck Chris!

Have you seen a new face around the property. Maybe wondering who this mysterious man might be? Well, let me introduce you to our new maintenance team leader, Jamie Matheny! Jamie is joining us from our sister property, Winwood, in Johnston!

We are very excited to have Jamie on our team! Be sure to say hi and introduce yourself when you see him!

With that being said, I'm sure you've noticed a face missing. Chris actually went to Winwood and joined their team as a maintenance tech there. We are super sad to see him go but excited at the same time as we know Winwood will be very lucky to have his skills!

Gutter Cleaning & Mowing

We are preparing for annual gutter cleaning to happen this May. Please don't be alarmed by people outside windows, balconies or roofs.

We also wanted to inform you all that mowing will be every Wednesday (weather permitting)!

Call us
locally at

Cars, Emails, Phone #'s

If you've switched phone numbers or have a new car, please make sure these get updated with the office. With the most recent parking lot sweep it was brought to our attention that there are multiple cars that are not registered with the office. We do not enjoy towing cars and if it can be avoided by looking your license plate up in our system. We would much rather give you a call than the tow truck! So please make sure we have all updated contact information at the office! Phones, emails & cars!!

Do Not Prop Doors Open!

Please remember that doors CANNOT be propped open with rocks. This is a fire hazard and doors need to remain closed for your safety!
