# GARAGE SALE

Thank you to everyone who showed interest in our 2018 Fall Sale and Cleanout! We're excited to announce we'll be holding the garage sale on October 5th and 6th.

To register, please fill out the form that was emailed to you or pickup a registration form from the office. Registration is due October 1 by 5PM. For those who do not have a leased garage, you may set up your table in the courtyard between buildings 1212 and 1218. Please no setting up tables in parking lots or on sidewalks. You are responsible for all cleanup and will be charged for any cleanup we have to do for you. We will also be providing a 40 yard dumpster from October 5th-7th. Once this dumpster is full it'll be hauled away!

We will be doing all the advertising for the event so please do not put out fliers, signs, or post on public sites. You may post on your own social media accounts about the event!

Please refer to the additional rules and regulations on the back of the newsletter or ask for a copy when you come by the office.

If you have any questions about the event please call or stop by the office for more information!

## Recycling Bin & Trash

Please note the recycling bin on property across from building 1208 is for recyclable items only, not trash. Please refer to the posted sign for guidelines of what to place in bin. When taking out trash/recycling please be sure to not drag the items on the ground. This helps keep our buildings clean!
