Snow Removal Reminder

Please remember that when parking cars to make sure the fender isn't over the sidewalk. This makes it very difficult for maintenance to shovel, therefore posing a safety hazard for those walking on the sidewalks and risks accidental damages to vehicles or CCV equipment. We'd also like to remind you that, per your lease, after any snow event you are required to move your car to a space that has been cleared within 72 hours. We appreciate your cooperation and understanding in advance!

Refer Your Friends

You can choose your neighbors by referring your friends to live at CCV! Send them to the office to see what we have available for rent! If they mention you when they come to tour, you could receive a \$50 credit once they have lived here for 30 days!
