Hello McKenzie! Goodbye Lindsay!

We are sad to say that Lindsay Schlatter, our Property Manager for the last two years, is leaving us. She is going to one of our sister properties in Johnston. Lindsay has accomplished a lot in her time here! She has been a wonderful asset to CCV! Replacing Lindsay is McKenzie Robertson. She is coming from another R&R sister property! Some of you may remember McKenzie as she was a leasing agent here for a brief time. This transition will take place around May 20th. We want to congratulate Lindsay and welcome McKenzie on their new positions. Make sure to say goodbye to Lindsay and welcome McKenzie to the property!

Grounds Work on Property

You may have noticed some straw matting throughout the property near the sidewalks this spring! Please be sure to not step in these areas so our new grass can continue to grow. We also wanted to inform you all that mowing will be every Tuesday (weather permitting)!

Do Not Prop Doors Open!

Please remember that doors CANNOT be propped open with rocks or other items. This is a fire hazard and doors need to remain closed for your safety and the safety of others!

2019 Pool Party

Do you have ideas for our pool party this year? Let us know what you'd like to see or have at our party this year! You can stop by the office or email ideas to info@countryclubvillageapartments.com!

Junk Mail Disposal

We have noticed a lot of junk mail being disposed of improperly and wanted to remind you of the proper procedures to dispose of it. Please do not leave it around the mailboxes or use the laundry room to dispose of it. Please place it in your own trash or recycling bin or place it in the dumpsters around the property. If you are found disposing of this improperly, fines will be assessed.

Cars, Emails, Phone #'s

If you've switched phone numbers or have a new car, please make sure to get these updated with the office. With the most recent parking lot sweeping it was brought to our attention that there are multiple cars that are not registered with the office. We do not enjoy towing cars and it can be avoided by looking your license plate up in our system. We would much rather give you a call than the tow truck! So please make sure we have all updated contact information at the office! Phones, emails, and cars!
