## April News

### **Coronavirus**

We value the health of our community, so we're limiting all in-person office interactions and suspending non-essential maintenance services. These changes will be in effect until further notice. We're going to close off offices and common areas to everyone expect for essential staff. Maintenance requests for essential tasks or emergency items can still be submitted through normal channels. And, if you're unsure about the priority of a task, give us a call and we'll be happy to talk about it.

If you have questions about the Coronavirus, please visit [www.CDC.gov/Coronavirus](http://www.CDC.gov/Coronavirus). If you feel sick or begin to display symptoms, please contact your primary care physician and follow their guidance.

If you have any questions about these changes, please message, call or email us!

### **Hallways & Common Areas**

Please make sure you are keeping your buildings clear & free from litter. There should be no trash in your hallways or common areas; this includes trash boxes under mailboxes, personal trash bags, etc.

### **Chance to WIN**

We will be having drawings EVERY WEEK in April for a chance to win a gift card to a local restaurant! Make sure to follow our social media pages to play along.
