

COUNTRY CLUB VILLAGE

May News

Coronavirus

We value the health of our community, so we're still limiting all in-person office interactions and suspending non-essential maintenance services. These changes will be in effect until further notice. Offices and common areas are still closed to everyone except for essential staff. Maintenance requests for essential tasks or emergency items can still be submitted through normal channels.

If you have any questions about these changes, please message, call, or email us!

Plumbing

Please make sure you are not putting any feminine products, paper towels, wipes, q-tips, wax, grease, or drain clearing agents down drains. Please only flush waste and toilet paper down toilets and only water down drains.

Dropbox

Reminder that only keys and payments are to go in the black drop box. All other envelopes and paperwork are to go in the cardboard box next to the office's front door. These items are too big to fit and will damage the drop box and paperwork.

One Month FREE

Refer a friend to Country Club Village and earn one month free once they lease! Your name must be mentioned at the time of application. Call the office for more information!
