## June News

### Scavenger Hunt

Throughout the month of June, be on the lookout for TEN different posters scattered around property. When you find a poster, take a photo with it, post on Facebook or Instagram, and tag us to be entered into a drawing to win a gift card! The event will run through the end of the month, when we will announce our winner! The photo above is an example of the posters. Happy scavenging!

### Pool

We are eager to open the swimming pool for your convenience and enjoyment. However, Governor Reynolds announced that she is extending the existing Disaster Emergency Proclamation. Pursuant to Iowa Code 135I.1, pools have been ordered to remain closed through June 17th. Specifically, apartment pools are a part of this proclamation. Therefore, the CCV pool will not be open for use until June 18th, or until the mandate is lifted.

### Recycling

We have seen an increase in recycling contamination. To help encourage proper recycling, the recycling lid will be locked, and only available during office hours. Anyone wishing to recycle will need to come to the office and check out the key.

### Meet our Intern for the Summer!

You may have seen a new face around our property, help us in welcoming Grant! He is very excited to be here for the summer & eager to meet all of you. Be sure to wave & say hello!
